Stock List

With more than 15 years of experience under our belts, GAB Supplies has established itself as one of the largest stockists for high quality used printing machines. With a range boasting products from brands such as Heidelberg, Komori, Roland, Polar, Stahl, Muller Martini and Wohlenberg, sourced directly from UK and European printers, we are perfectly positioned to meet your needs for used pre-press, offset printing machines & finishing equipments.

By always ensuring we hold a large stock quantity of at least 100 different items, from the simple Parker plate marker all the way up to six colour Heidelberg speed master offset printing machines, we have built up a strong business buying British & European printing machines and selling them to the rest of the world.

However, stock quality isn't everything, and here at GAB we are serious about ensuring the products we buy and sell are in the best possible condition. We use in-house engineers and contractors to thoroughly check the condition of our used printing machines and their history.

We aim to supply you with the best product for your needs at the price that's right for you, continuing to build on our reputation for reliability, affordability and fast shipments.

Used Printing Machines

With a huge supply of stock, we have used machines from major manufacturers including Heidelberg, Komori, Roland, Polar, Stahl, Muller Martini & Wohlenberg. Whether you're looking for a machine for small or large jobs, you can be sure we will have something in store fit for the job.

We don't just buy and sell printing machines and we have expanded our business to include a range of other services including:

- Servicing
- Dismantling & Re-location Logistics
- Packing & Shipment to all destinations
- Installation throughout the world
- Operator training on any of our products
- Valuation

We can offer these services alongside the purchase of a printing machine, or separately. To find out more, take a look around our new website and feel free to get in touch with our easy-to-use enquiry forms.
